

Abner Montessori Portrait Date Announcement Mark Your Calendars!!!

******School Portraits are March 27th, 28th, and 29th!!!!******

Abner Montessori is proud to announce that Angela Craft Photography will be taking Spring Portraits on March 27th, 28th, and 29th.

March 27th - Pre-Primary and Room 1

March 28th - Primary Room 2 and Elementary

March 29th - Make Up Day

Helpful info: Portraits will be taken outside...please take this into consideration for your child's clothing choice. Spring and rich toned clothing will look best with this set up. Please note that portraits are taken on the large rock at the entrance...there is a lot of greenery in the background, we suggest limiting clothing in the color green. Your choice of clothing for your child's session is an important one.

Simple clothing works best for creating successful, timeless portraits.

For Session Outfits: Avoid busy patterns, busy prints, wording, stripes, and logo clothing as they can be very distracting and tend to draw focus away from the faces. Jeans, overalls, sun/slip dresses and khakis are classics that photograph well. Boys in jean and solid colored, buttoned up shirts and girls in a simple sundress with sweater work well. Please have girls sit down in their dresses when choosing their outfit to ensure that the dress does not hike up too far when sitting.

When preparing for portraits please think of every detail, down to socks and shoes. Make sure your child has on matching socks and shoes the day of portraits. We suggest doing your session with no socks and no shoes. When a child is sitting with shoes on, you only see the bottom of their shoes...however if they are barefoot, you see the bottom of their feet and their cute little toes. And if your child is a toddler, avoid large collars and large, puffy sleeves as they tend to overwhelm the face when the child is sitting down and hide a young ones jaw line. Also avoid suspenders on small children, as they tend to gather up when a small child is sitting and will stand off of the shoulders.

On the day of their scheduled portraits, please check children for band aids, marker, or paint. Check girls for nail and toe polish and when going barefoot, please have your child not wear socks to school that day so there are no elastic marks around the ankle. Please no clear lip gloss please because the flash of the camera will glare on the gloss and wash out all lip color and no makeup with glitter.
